

## THE PERFECT DAY (TO FIND THE PERFECT JOB)

Look, here I am, I'm standing here to tell you  
I want a job, I want a job that's nice  
I'd like to work, and I have never been so sure

I want a job and this is very urgent  
That's right for me, I want a job that's nice  
I'll take my chance, the time is now, the place is here

I'll show you what I got, I know I've got a lot  
So I don't let it slip away  
I'll show you what it takes to make it, get the chance and take it  
Hear me when I say  
Today's the perfect day
